I understand that under the terms of this agreement, US Taekwondo & Archery, INC obligates itself to furnish me with competent instruction and suitable facilities for teaching lessons. All class sessions are supervised by qualified personnel trained in the procedures and traditions of Olympic style Archery.

I understand that my tuition is arranged to be made in monthly installments and is not affected by my training schedule and/or attendance.

I understand and agree that the school will not be held liable for injuries, damages, etc. , not caused by or resulting from the negligence of the owners/operators, employees in charge of such establishment.

I will faithfully comply with all the rules and regulations of USTA. I further understand that failure to complete the training does not relieve me of my obligation to pay the tuition in full.

All memberships are automatically renewed every year. Post completing the first year of membership, the membership may be cancelled anytime upon the request of the buyer. There is a 2-Month notification required if cancelling prior to completing membership.

For new students, wood bows, arrows, and personal props are rented for basic archery education. However, it is important to note that the equipment needed to advance to the next level is purchased individually.
